

SMT. S.R. PATEL ENGINEERING COLLEGE

Smt. Sushilaben Rameshbhai Patel Charitable Trust (SRPEC) was established in the year 2008 for the purpose of carrying out various social services and establishing educational institutes to uplift the knowledge and skills of students to build their career.

The trust started an engineering college **Smt. S. R. Patel Engineering College** in the year 2009 at Dabhi, about 4 km away from Unjha and about 28 km away from Mehsana. The lush green campus is spread over in a 12 acre area. The spacious buildings, well equipped laboratories and a pool of qualified and experienced staff members show the dedication of the trust towards society. The trust is involved in large numbers of social activities in North Gujarat region.

SRPEC aims to become a leading institute committed to shape a bright future for human community by developing effective and socially responsible individual and organization through technical education. SRPEC targets the all round development of the students. For fuelling the overall development of our country, it aims to produce worthy and loyal citizens of a great country in addition to good professionals.

OBJECTIVES OF THE PROGRAM

The main objective of this Entrepreneurship Awareness Camp (EAC) is to create awareness among faculty and students of Engineering and Science courses about various facets of entrepreneurship as an alternative career option. To make the aspiring person acquainted with the conceptual as well as practical and field based knowledge of Entrepreneurship. The idea of organizing this workshop is to inculcate the fundamentals, key concepts of Entrepreneurship in the Science and Technology among graduates/diploma holders. Discussion of loaning and R&D grant from banks, GST Needs and other agencies for startup projects.
