#### Glimpses...

The purpose to arrange motivational lecture for engineering students and faculties is to prepare them about their professional life. To fulfill this aim we invited Mr. Sureshbhai. He delivered his precious lecture and that time the students & faculties were listened very keenly.

Mr. Sureshbhai delivered his talk in two sessions. The student were very enthusiastic to

listen him.

The expert used many real life cases to address the students and motivated them to lead a life in a proper direction. He discussed the relevance of the several incidents which act as an accelerating force in the development and growth of an individual.

He motivated the students by sharing that any individual can excel in the field with the

inner strength irrespective of any odds in a person's life.

Students posed some important questions and discussed with the speaker. It was a great experience to witness the students interacting with the speaker.

We are sincerely indebted to the expert to accept the invitation and deliver a motivational talk to the students.
