# Elocution Competition on National Tobacco Control

We organize Elocution Competition on National Tobacco Control by the support of Taluka Health Office, Unjha on 04th January 2018. The competition organized for 6th Semester students of all the branch. Dr. Prakashsinh Rajput (RBSK - Medical Officer) with his team was present to witness the event. The competition was inaugurated on 2:30 by the welcoming of the guests.

Dr. Prakashsing Rajput delivered his speech on National Tobacco Control program which run by the government. He added that what are the disease causes the tobacco. He suggested to youth Quit the Tobacco.

Government of Gujarat organizes these type of program through out the year in various schools and colleges for spreading the awareness about Tobacco causes disease. The whole world celebrate the “No Tobacco Day” on 31st of May.

Our sixth Semester students participated and attended elocution competition enthusiastically. Total 09 around students was participated and they performed well. Out of 09 students top three students were awarded with the prizes by the Taluka Health Office, Unjha and the remaining students were awarded with the consolation prizes.

Taluka Health Organization also distributed snacks among all the sixth semester students those who were attended the program.

The program was successfully completed with the valedictory speech by Amrutji Thakor (BICO, Taluka Health Office, Unjha) and Prof. V. M. Modi (Assistant Professor, SRPEC - Dabhi).
