SMT. S.R. PATEL ENGINEERING COLLEGE

Smt. Sushilaben Rameshbhai Patel Charitable Trust (SRPEC) was established in the year 2008 for the purpose of carrying out various social services and establishing educational institutes to uplift the knowledge and skills of students to build their career. The trust started an engineering college Smt. S. R. Patel Engineering College in the year 2009 at Dabhi, about 4 km away from Unjha and about 28 km away from Mehsana. The lush green campus is spread over in a 12 acre area. It blends beautifully with the green landscaping, varieties of flowers and trees and a vibrant pursuit of knowledge. The spacious buildings, well equipped laboratories and a pool of qualified and experienced staff members show the dedication of the trust towards society. The trust is involved in large numbers of social activities in North Gujarat region.

OBJECTIVES OF THE PROGRAM

- ❖ The main objective of this is to bring academicians and researchers for preparing the research document using LaTeX.
- ❖ LaTeX uses markup tagging conventions to define the general structure of a document (such as article, book, and letter), to stylise text throughout a document (such as bold and italic), and to add citations and cross-references.
- ❖ This training is designed to instruct participants the principles of using LaTeX to design their own document. To make session interesting practical sessions are also integrated in the program.

OUTLINE OF THE CONTENTS

- ❖ Concept of Latex.
- ❖ Typesetting Programs and formula in Latex.
- ❖ Creating and inserting Table, Figures and equation in using Latex.
- ❖ Document and Article preparation in Latex.
- ❖ Bibliography Generation in latex.
- ❖ Writing papers through templets.
- ❖ Simultaneous writing of paper.
