## SAMARPAN 2016 Blood Donation Camp

### A Report on Blood Donation Camp

A Blood Donation Camp was organized at Smt. S. R. Patel Engineering College, Unjha on 16<sup>th</sup> September 2016. The event was managed by the Social Accountability club 'Student Cell' of the college. The Blood Donation Camp was organized in association with Indian Red Cross, Ahmedabad. All the medical support was arranged by the Blood bank Members. College Management, and Student Volunteers did a commendable job in smooth and successful organization of the event. The event began at 9:30 a.m. with the first blood donation of College's students. Right from the beginning a number of enthusiastic college students came forward for participating in this noble cause and donate their blood. Apart from students; college staff members have also donated blood during the occasion. Before allowing the donors for bleeding a mandatory medical test was performed to check their various health parameters, like body weight, blood pressure, blood sugar etc. so that the donor may not face any kind of problem due to blood donation. In order to provide maximum care to the health of the donors college management had made arrangement for ample supply of health drinks, breakfast, tea and coffee through out the duration of the camp. To motivate the donors and encourage their participation in the event college management has provided all the donors with donor kit and a special gift. Total **117** units of blood were donated during the camp. Total gift given by the college management to students and staffs during the event was around Rs. 18,000/-.
