## **“Development Without Destruction” About Gandhiji**

### **Report on “Development Without Destruction”**

On 23<sup>rd</sup> October, 2016 Smt S R Patel Engineering College , Unjha organized a Motivational Lecture on “Development Without Destruction” . The eminent personality Shri P. V. Rajagopalaji was invited to deliver a motivational lecture on the above stated topic. He is a renowned Gandhian ideologist and devoted his entire life in nurturing the values of life and society for the welfare of the society and world at large on the moral principles of Gandhian philosophy.

Shri P V Rajgopalaji has been serving for the noble cause of the value added education and philosophy. He marched Jan Satyagrah from New Delhi to Gwalior – A 334 KM March to protest the Government of Madyapradesh’s reso-

lution of modernization of roads at a cost of natural resources of the region. He by his non violent act of Satyagrah , compelled the government of Madhyapradest to postpone the resolution and compelled them to change the India Land Act in a reformative way. Such a man of noble cause inspired the student of the institute to live life for the nobility and simplicity. He also inspired them to foster the culture of civilization which is built on the principles of the humanity and not on the futile laws of modernity. He insisted that no urbanization of the world can bring the equality of rights of common people of the nation and can bring and generate employment for the distant individuals of the region. What is the use of the modernity which has been created at a cost of humanity and human values? What is the use of urbanization that kills and destroys the natural beauty of the village, culture, thousands of employment and small scaled local handlooms and daily wedges workers? He interacted with students zealously and inspired them to be the leader of values and moral to build the strong nation to meet the challenges of the future.

Students of the institute delighted and inspired by the simplicity yet the firmness of this noble man. They took vow to be the noble citizen of the nation. The day experience was really worthwhile and important in many ways.
