THALASSEMIA TEST

A Report on the Thalassemia Test

A special camp was organized at Smt. S. R. Patel Engineering College, Dabhi-Unjha on 26th September 2016 (Monday) for Thalassemia test of all the First Semester students and of the college. The camp was totally free of cost for them. The Indian Red-Cross Society—Ahmedabad was specially invited for collection of blood samples for testing. The total testing charge was completely provided by College Management. Prior to the organization of

Registration For Blood Testing

College Students Gathered for Blood Testing

Thalassemia camp. All the First semester students were made aware about Thalassemia, its type and the effect of this blood—disorder in our life. The importance of Thalassemia testing was also elaborated as it is the only measure of preventing spreading of this disorder. An informative documentary was also shown to the students on the day before the testing and during the

camp. A counseling was provided by the Principal and senior members regarding the awareness related to their health issues and particularly about the importance of Thalassemia in the blood. A large number of students were present during the camp for getting their blood tested. Total number of 159 students of various branches of First semester and 16 college faculty member provided their blood samples for testing. The whole event was well organized and controlled by the faculty of the college. The camp was another evidence of the commendable efforts done by the college for all round development of their students and staffs and taking up regular measures of social cause.
