SRPEC dedicates and commits to achieve, sustain and foster unmatched excellence in technical education.

We provide technologically and intellectually inspiring environment of learning creativity and innovation to inculcate the ethical and moral values in young students.

As a part of fulfilling our dream, we provide a learning platform to the students to various

allied areas during the academics for making them better and competent professionals.

We are very much glad that SRPEC organized one day Expert Lecture on “UPSC AWARENESS PROGRAMME” on 19th Oct, 2016. The expert talk was delivered by eminent scholar and expert Mr. Sanjay Patel, a

successful entrepreneur and a Director of Educational Institute. The scholarly session was open for all the students and faculties.

Many students who aspire to create their bright career can be benefitted by such kind of awareness programme.
