Neptune Industries Limited,  
Ditasan, Gujarat

**Mrs. Ronak Bramhbhatt**  
HR Head  
Neptune Industries Limited,  
Ditasan, Gujarat

**To understand the need of Industry from fresher and how it can help to crack interview**

The purpose to arrange Expert lecture on **“To understand the need of Industry from fresher and how it can help to crack interview”** for engineering students is to prepare them about their professional life. To fulfill this aim we invited Mr. Pradip Singh and Mrs. Ronak Brahmbhatt from Neptune Industries Limited, Ditasan, Gujarat. They delivered their precious lecture and that time the students were listened very keenly.

Mr. Pradip Singh discussed the issue of, why students fail in industry skill? What are the expectation of industry? He delivered his talk on the future needs from the engineering institutes and students.

Mrs. Ronak Brahmbhatt delivered her talk on HR interview. She expressed that the students think that the interview is not important for jobs. But the reality says that the cracking of the interview is one of the important skill for 21st century.

### Topics Discussed...
