Principal's Message...

It is that bittersweet time of year when we find ourselves saying goodbye to our final year students. I, on behalf of SRPEC would like to have your look back with appreciation to the college community for its services and support and to express my gratitude over the past years for the honor and privilege to work for you all my dear students. It is my hope that you all will build the leadership capacity in yourselves to achieve your goals and make us feel proud being a part of your journey.

Event in Brief...

At First, the Principal Dr. Ami H. Shah made the keynote address, in which he insisted ordinal principles of success in any career life as well as personal growth.

After that they were aware to different games of that day. Those games were fish pond, role play, faculty awards though feeling up faculty feedback form, one minute show, Housee etc.

Further after successful and joyful completion of all games students had shared their experiences of all 4 yrs. Journey at the college. In which they shared their all experiences of college life. At last of the day students of different departments had shown their gratitude by honoring memento Chairman, Principal, Head of the departments, faculties etc.

This was followed by night stay to relish the shanku's natural beauty and calm sleep. Next day morning on 3rd June, 2013 all were refreshed and took breakfast with refreshment drinks, which was followed by check out with alumni registration.

With a heavy heart we wished our students a great life ahead and also regards as because of them we stand with great pride. It was also their hard work and perseverance which have helped them to succeed and also the kind respect and support to the management and faculties of the college, ***as we believe that without their support, college alone could not achieve its goal of contribution to nation through producing bright professionals and***

Last BUT Not the least, our message to the SRPEC Alumni that...

**Life & Time are the world's best teachers
Life teaches us the use of Time
&
The time teaches us the value of Life**
