

**A REPORT ON....**

**FOR**

**FINAL YEAR STUDENTS**

**(BATCH 2016)**

**BY**

**SMT. S. R. PATEL ENGINEERING COLLEGE**

**ORGANIZED AT,**

**SHANKU'S WATER PARK, MEHSANA**

## About the College...

The institute offers 4 years degree engineering programs in four disciplines at the under graduate(UG) level viz. Civil, Mechanical, Computer, and Electronics & communication along with M.E.(PG) Program in Mechanical and Computer Engineering. The institute is approved by the All India Council For Technical Education (AICTE) and affiliated to

Gujarat Technological University(GTU), Ahmedabad. All the programs are designed to enable learning in application based environment through a combination of teachers and hands-on-experiences in well – equipped laboratories.

The revelation of SRPEC is to build leaders of future by imparting meaningful and conscientious learning process to provide proper direction momentum to their creativity to imbue willpower to achieve. SRPEC looks forward to establish august temple of learning to educate and train people to become conscientious performers and to reach the pinnacle glory. With respect to same college regularly arrange several academic as well as extra curriculum activities for the students for their personal, professional development and satisfaction.

In order to the same farewell for the third passed out batch of all branches of SRPEC was organized by the college to recollect all memories spent with the final year students and wish them bright future ahead.

## Summary Of Farewell...

A Farewell Party being organized for the passed-out students of 2012-2016 batch (10<sup>th</sup> and 11<sup>th</sup> June, 2016) at Shanku's Water Park, Mehsana. The Students of 2012-2016 attended the function from the Departments of Civil Engineering., Mechanical Engineering, Electronics & Communication Engineering and Computer Engineering along with teaching and non teaching staff of the college. Our Principal Dr. Ami H. Shah made the keynote address. She advised the students to cultivate positive thinking and to do smart work in order to become successful in their career.

Several final year students attended, responded and gave their active participation for both the days. They appreciated the college authorities for exploring all avenues for giving quality education and placement opportunities through feedback forms and experience sharing session during the event. They were all appreciative of the prevalence of discipline in the campus, and of the efforts being taken to improve the academic results. Some students were all praise for the policies of the college, in helping the meritorious students with scholarships and fee reductions – a significant feature not found in several engineering colleges.

The function ended with the buffet breakfast at the venue.

## Farewell Messages From The Principal...

It is that bittersweet time of year when we find ourselves saying goodbye to our final year students. I, on behalf of SRPEC would like to have your look back with appreciation to the college community for its services and support and to express my gratitude over the past years for the honor and privilege to work for you all my dear students. The last year have been an incredibly rewarding journey with numerous successes and challenges. Change can bring much uncertainty, But we have been able to create a sense of certainty by remaining focused on our shared mission, values and goals with your unaccountable support. Our focus on learning, collaboration and results has moved the college along the continuum of a professional learning community. It is my hope that you all will build the leadership capacity in yourselves to achieve your goals and make us feel proud being a part of your journey.

LUCK

**Detailed Schedule of Farewell...**

## Event in Brief...

As said earlier, the event was objected at recollecting the pleasant memories and feeling all the nostalgic memories spent by our final year students in the institute; not only this , but also to create one more memory in the minds of students by celebrating farewell gathering lavishly. And also wish them a great career ahead and all be bestowed with lord's choicest blessings.

As per shown in schedule all students were assembles at college on 10<sup>th</sup> June,2016 . Next to this all students were taken to the Shanku's Water Park by Bus. Further this was followed by check in process in Shanku's Hotel. After refreshment all students along with college staff gone for water rides for fun. It was planned for 4 hours. after that all took refreshment with some snacks.

After that DJ party was arranged for the students and staff for creating delighted atmosphere. Buffet dinner was arranged along with students have presented their 4 yrs.journey at college through short movies.

Next to dinner it was time for Principal's address and game playing. For these students were being gathered at Shanku's Water Park.

At First, the Principal Dr. Ami H. Shah made the keynote address, in which he insisted ordinal principles of success in any career life as well as personal growth.

After successful and joyful completion of all activities like Singing,Mimicry,Documentry play, students had shared their experiences of all 4 yrs. Journey at the college. In which they shared their all experiences of college life. At last session of the day students of different departments had shown their gratitude by honoring memento Chairman, Principal, Head of the departments, faculties etc.

This was followed by night stay to relish the shanku's natural beauty and peace. Next day morning on 11<sup>th</sup> June , 2016 all were refreshed and took breakfast with refreshment drinks, which was followed by check out with alumni registration.

With a heavy heart we wished our students a great life ahead . Because of them we stand with great pride. It was also their hard work and perseverance which have helped them to succeed and also the kind respect and support to the management and faculties of the college, *as we believe that without their support, college alone could not achieve its goal of contribution to nation through producing bright professionals and civilians.*

*Last BUT Not the least, our message to the SRPEC Alumni that...*

*Life & Time are the world's best teachers*

*Life teaches us the use of Time*

*&*

*The time teaches us the value of Life*

## Unforgettable Memories...
