THALASSAEMIA TEST

A Report on the Thalassaemia Test

A special camp was organized at Smt. S. R. Patel Engineering College, Dabhi-Unjha on 7th March 2022 (Monday) for Thalassaemia Test of all the First and Second Years students of the college. The camp was totally free of cost for them. The Indian Red-Cross Society—Ahmedabad was specially invited for collection of blood samples for testing. The importance of Thalassaemia testing was also elaborated as it is the only measure of preventing spreading of this disorder. A large number of students were present during the

camp for getting their blood tested. Total number of **127** students of various branches of First and Second Year students provided their blood samples for testing. The whole event was well organized and controlled by the faculty of the college. The camp was another evidence of the commendable efforts done by the college for all round development of their students and staffs and taking up regular measures of social cause.
