### Youth Day 2020

To commemorate the birthday of Swami Vivekananda, maker of Modern India, National Youth day is celebrated with great joy, enthusiasm every year in India on 12th January. To share this message, we have organized video lecture series on thoughts of Swami Vivekananda, We have also arranged book exhibition related to occasion for students and faculty members. Further, as a part of celebration we have organized thought expression program, where students came on the stage and present one thought on Swami Vivekananda.

### Workshop Technology

Mechanical Engineering Department organized workshop on Technology for 4th & 6th Semester students on 18th January 2020. The main objective of this workshop is to make the aspiring engineers acquainted with the conceptual as well as practical knowledge of the Workshop Technology & latest technologies being used to achieve industries.

### Workshop on Innovative Sensor based Applications

Workshop on “Innovative Sensor based Applications and Technical Communication” sponsored by SSIP Cell was organized for 2nd sem students during 20th to 22nd January 2020. The main objective of this Workshop is to create awareness among the second semester students about their future requirements of the 21st Century Skill Development. Because the present era is the “Era of knowledge”. To empower the aspiring students with present days basic requirements like their sensor based innovation in engineering, English and Personality Development in Engineering.

### Republic Day Celebration

The Republic Day Celebration was organized with jest and patriotism. A large number of students were present along with staff members to mark this event. Event was conducted in the gracious presence of Principal Dr. Ami H. Shah. The function began with march-past and unfurling the national tricolor by respected chairman. It was followed by saluting and presenting patriotic songs in its honor of National Flag.
