Student Start-up and Innovation Policy MOU

Smt. S. R. Patel Engineering College has signed the MOU with Education Department, Government of Gujarat under Student Start-up and Innovation Policy (SSIP) where both organization will invest 60 - 60 lakhs to motivate students towards innovative ideas, development of prototype and also to become future entrepreneurs.

Industrial Visit of Computer Department

Computer Engineering Department organized Industrial Visit at Regional Telecom Training Center, RTTC, Ahmedabad for 3rd Semester students on 19th July 2018. The main objective to visit the RTTC was to aware the students were about how network is created, configuration of routers, flow of digital communications using different devices. Students were given a chance to glance back at the history of evolution of communication and also at the emerging trends of communication technology.

Social Visit

The memorable social visit was conducted on 19th July 2018 at “Manav Mandir, Unjha and Shivganga School, Mehsana” with a vision to understand the condition of the Divyang human and slum area children who were dejected even by the family members and society. The visit was not only memorable but also a useful learning experience as it taught the lesson of compassion, care and respect. The visit was made successful with the support of all the first semester new entrants. The visit was the part of their new Induction Program.

Workshop in Civil Engineering Department

Civil Engineering Department organized workshop on **Model of cantilever retaining wall** on 18th July 2018 for 7th Semester students. The workshop was organized by Prof. Nikhilkumar Mehta from Smt. S. R. Patel Engineering College. The main objective of the workshop was: i.) To understand the 3D structure of Cantilever Retaining Wall ii.) To understand the Work of Cantilever Retaining Wall iii.) To understand the Reinforcement detailing of Cantilever Retaining Wall .

Prarambh 2018 An Orientation Program

The Orientation Program for the first year students “Prarambh-2018” was held on Sunday, 22nd July 2018. The witness of the program was chairman, principal, HODs, faculty of the institute the fresher with their parents. With around 53 new entrants this year, the program was successfully organized. It was well appreciated by the students and their parents who attended the function.

Industrial Visit of Mechanical Department

Mechanical Engineering Department organized Industrial Visit at Sardar Sarovar Narmada Nigam Ltd, Kevadia Colony for 5th Semester students on 26th July 2018. The main objective of the industrial visit was: To get a real time experience and knowledge of various working units of power generation. Better understanding of turbine concept and various construction parameter. To get good knowledge about factor of safety on development of mega structure.

Congratulations

- We secured 8th Rank in 8th Semester in overall Pass - Fail wise result.
- We secured 3rd Rank in 8th Semester in SPI wise result.
- In North Gujarat out of 10 colleges we achieved 1st Rank in both the parameter of Pass - Fail wise and SPI wise in 8th Semester.

- We secured 22nd Rank in 6th Semester in overall Pass - Fail wise result.
- We secured 19th Rank in 6th Semester in SPI wise result.
- In North Gujarat out of 10 colleges we achieved 1st Rank in both the parameter of Pass - Fail wise and SPI wise in 6th Semester.

- We secured 15th Rank in 4th Semester in overall Pass - Fail wise result.
- We secured 13th Rank in 4th Semester in SPI wise result.
- In North Gujarat out of 10 colleges we achieved 1st Rank in both the parameter of Pass - Fail wise and SPI wise in 4th Semester.

Special Congratulations

to

Chintan Prajapati

He secured 6th Rank in 4th Semester with 9.91 SPI in Mechanical Engineering Branch in GTU

Special Congratulations

to

Yash Maheshwari

He secured 2nd Rank in 8th Semester with 10 out of 10 SPI in Mechanical Engineering Branch in GTU
