About the symposium...

Summary

A 6th National Level Technical Symposium entitled “Prakrusht-2016” was conducted on 1st April, 2016. The organization and management was especially creditable. Other than the traditional crowd-pulling events, Prakrusht-2016 boasted of many new initiatives and interactive events. The effort that had been put by staff members, management and students was truly praiseworthy.

The aim of competitions & events at Prakrusht—2016 has been to cater to all genres of engineering and technology. This was ensured by having competitions like Infra Civil, Civil-O-Tress, Robo War, Robo Run, Paper Presentation, Assembly, Junk Yard War, Relay Puzzle, Web Craft, Code Paradise, Android App Mania, Robo Line

Follower. All the events, like always, saw a huge turnout both in terms of enthusiastic participants and an exuberant audience. It was also strategic in getting hold of a floating crowd and ensuring huge numbers for any announcements/news etc. Almost everyone who attended Prakrusht-2016 would agree that Lecture Series was indeed its highest point.

Objective

The main objective of the Prakrusht-2016 was to bring all the students of engineering together by various types of competitive events. It will help to encourage the students and perk up of technical and edifice skills of the engineering students. Inauguration function was held on

Inauguration Function

1st April 2016 at 8.00 am by lighting the lamp in the auspicious presence of Mr. Kalpesh Patel (Executive Chairman, SRPEC), Dr. A. H. Shah (Principal, SRPEC), Prof. Manoj Rajpara (Co-coordinator, Prakrusht - 2016), & Mr. Nihar Maheshwari (President) (Prakrusht - 2016)

1st April, 2016 :
(8.00 A.M.—08:30 A.M.)

Civil-o-tress

Some questions are given to the students. Questions asked by showing the power point presentation. These all questions are based on civil technical knowledge. These rounds are clarifying the deep knowledge of civil engineering.

Faculty Coordinator:
Prof. Hiren.V.Patel

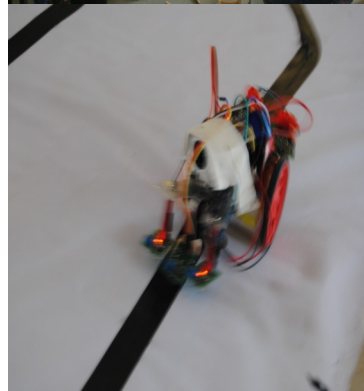

Participants: 97

Infra Civil

Infra Civil is a event organized by Smt. S R Patel Engineering college. In this Event A Residential Bungalow Model need to Prepare on the Day of Prakrusht.

Faculty Coordinator:
Prof.vineet Jain

Participants: 11

Robo Run

Robo race pre qualified round was organized on 1 st April, 2016, to showcase the talents possessed by the students in fields of robotic specified design. Final round based on marking system decided by the jury member was organized on 1 st April, 2016.

Faculty Coordinator:
Prof. Pramod Pawar

Participants: 19 groups

Robo Line Follower

The robo will start from starting point and the time taken to complete the path will be measured .The path will be black strip on white sheet on which robo will run. Robo who complete the line in shortest time without distracting track in 3 attempt will be declared as a winner.

Faculty Coordinator:
Prof. Shivani Raval
Participants: 5 groups

Paper Presentation

Technical papers were presented in all the four branches of engineering offered by the college.

Faculty Coordinator:
Prof. P.R.Mistri

Participants:19

JunkYardWar

In Junkyard, you have to bring out the beauty in the beast. Junkyard will test your ability to make use of every resource available in an optimized manner under time constraint.

Faculty Coordinator:
Prof. Nikunj Patel

Participants:15

Coder Paradise

The battle ground is set, this time, for the quest of that Programming gladiator. Prove yourself in the test of not only Skills but also endurance as you make your way through a series of challenges with C, C++ as your weapons. The time has come show your guts and win the battle.

Faculty Coordinator:
Prof. Megha Patel

Participants:24
