Summary

A 11th National Level Technical Symposium entitled- Prakrust-2022 was conducted on 21st to 24th Sept, 2022. The organization and management was especially creditable. Other than the traditional crowd- pulling events, Prakrust-2022 boasted of many new initiatives and interactive events. The effort that had been put by staff members, management and students was truly praiseworthy.

The aim of competitions & events at Prakrust—2022 has been to cater to all genres of engineering and technology. This was ensured by having competitions like Quiz-O- Mania, Brust Your Way, Blind Hunter, Brain Buzzer, Fact Finder, Sand IT, Break up Building, CAD Maniac, Bridgesters, Earthan Dam, Constructo, Model Presentation, Robo Race, RC Plane, CAD Master, Tool Finder, Junk Yard.

Inauguration Function

21st September 2022 at 8:30 AM by lighting the lamp in the auspicious presence of Dr. A.H. Shah (Principal, SRPEC), Prof. Nirav B. Patel (Co-coordinator, Prakrusht – 2022)

Followed. All the events, like always, saw a huge turnout both in terms of enthusiastic participants and an exuberant audience. It was also strategic in getting hold of a floating crowd and ensuring huge numbers for any announcements/news etc. Almost everyone who attended Prakrust-2022 would agree that Lecture Series was indeed its highest point.

Objective

The main objective of the Prakrust-2022 was to bring all the students of engineering together by various types of competitive events. It will help to encourage the students and perk up of technical and edifice skills of the engineering students. Inauguration function was held on
