STANDUP

### Summary

A 12<sup>th</sup> State Level Cultural Symposium entitled- Pratibha-2023 was conducted on 26<sup>th</sup> to 27<sup>th</sup> Oct, 2023. The organization and management was especially creditable. Other than the traditional crowd- pulling events, Pratibha-2023 boasted of many new initiatives and interactive events. The effort that had been put by staff members, management and students was truly praiseworthy.

The aim of competitions & events at Pratibha—2023 has been to cater to all genres of engineering and technology. This was ensured by having competitions like Debate, Book Talk, Poster making, Dancing Events, Singing Events, Theatrical Events Fashion Event etc.

Followed. All the events, like always, saw a huge turnout both in terms of enthusiastic participants and an exuberant audience. It was also strategic in getting hold of a floating crowd and ensuring huge numbers for any announcements/news etc. Almost everyone who attended Pratibha-2023 would agree that it was a joyful atmosphere to be a part of.

### Objective

The main objective of the Pratibha-2023 was to bring all the students of engineering together by various types of competitive events. It will help to encourage the students and perk up of their extra curricular skills of the engineering students.

Organized by,

Smt. S. R. Patel Engineering College  
At & Po. Dabhi, Ta. Unjha—384265  
Dist. Mehsana
